Dear Mr Weisberg,

Many thanks for your letter of Jan 27 and for the books - That completes my Weisberg collection.

I Hope your treatment at Johns Hopkins is a success and that you're feeling better. Your letter didn't say when the treatment was due but I assume it is sometime in February. I would like, if convenient for you, to come down there perhaps Friday MARCH 5 and video the interview. I am still going through your books with a view to formulating questions, ~~Book~~ among the areas I would like to cover are

- Your own BACKground - How you began studying the JFK assassination
- the innocence of Lee Oswald
- Some key criticisms of the Warren Comm, the FBI etc.
- Oswald as a Government agent
- The Role of JACK Ruby
- The Shooting of JD Tippit
- The Historical Importance of the assassination of President Kennedy

- The Documents released to you since your last BOOK was published
- The campaign TO BLAME THE COVERUP on the Kennedy FAMILY.

I do not intend to go into the medical evidence to any extent AT this interview.

I Hope that after you Had a chance to read my complete article on ZIRBELS BOOK you do not still feel that I am "enraptured BY the phonies and the Rip off artists" I am trying to approach the Subject with as unbiassed AN Attitude AS possible and with all my critical faculties switched ON.

I LOOK FORWARD very much TO meeting and Speaking with you. I plan TO give you a Ring TOWARDS the end OF DECEMBER TO see ABOUT ARRANGING the Interview.

SORRY ABOUT Handwriting - I'm still WAITING FOR THAT Computer.

Best Wishes

Rayford Russell
